Disciplinary Information

Jacobi Capital Management LLC is required to disclose all material facts regarding any legal or disciplinary events that would be material to your evaluation of each associated person providing investment advice.

Outside Business Activities

Other than performing her duties as Chief Compliance Officer and Chief Operating Officer for JCM, and maintaining her status as a Registered Representative with LPL Financial Corp, April is also licensed and approved as an independent insurance agent to sell whole life, term life, and universal life insurances, as well as long term care insurance, group annuities and fixed annuities. These activities may generate additional compensation for April. Any commissions or compensation from these activities is separate from any investment advisory fees charged through JCM. This outside business activity consists of less than 5% of time per year.

Other than what is discussed above, April is not actively engaged in any other investment-related business or occupation, nor does she have an application pending to register as a broker-dealer, futures commission merchant ("FCM"), commodity pool operator ("CPO"), commodity trading advisor ("CTA"), or an associated person of an FCM, CPO, or CTA.

The receipt of additional compensation from LPL or any outside insurance sales may give April incentive to recommend investment products based on the compensation received, rather than on your investment needs. To address this, disclosure is made to the client at the time a brokerage account is opened through LPL or an insurance application is made, identifying the nature of the transaction or relationship, the role to be played by April, and any compensation (e.g., commissions, 12b-1 fees) to be paid by the client and/or received by April.

Additionally, other than what is discussed above, she is not actively engaged in any other business activity or activities that provide a substantial source of income or involve a substantial amount of time.

Additional Compensation

April receives no economic benefit, including sales awards, other prizes, and any bonus that is based, at least in part, on the number or amount of sales, client referrals, or new accounts, for providing advisory services.
